## OMR Sheets Designing

Any OMR form we design for a customer is created using the most applicable drawing package. We take account of all the data that has to be captured from the form and ensure that the layout of the page is optimised for scanning purposes.

### Scanner Services

Regular maintenance is essential to keep scanners in good working condition and prevent issues from arising. Consumable, spare parts & technical support for all OMR Scanners available.

Products:

**AXIOME OMR Scanner India Axiome Alpha AXM960**

Mark Reader is authorised dealer of AXIOME OMR Scanners in India. Axiome is one of the leading company in OMR Scanner industry offering latest cutting edge technology solution for all your OMR scanning needs.

Axiome is a Swiss company specialized in automatic ID and data capture. The company also develops and manufactures peripherals for optically reading documents with marks (OMR), characters (OCR & ICR), images, barcodes and RFID Tags.

#### **AXIOME OMR Scanner India Axiome Alpha AXM980**

Mark Reader is authorised dealer of AXIOME OMR Scanners in India. Axiome is one of the leading company in OMR Scanner industry offering latest cutting edge technology solution for all your OMR scanning needs.

Axiome is a Swiss company specialized in automatic ID and data capture. The company also develops and manufactures peripherals for optically reading documents with marks (OMR), characters (OCR & ICR), images, barcodes and RFID Tags.

#### **Intec Printer India Intec CS5000 5 Color Printer**

Mark Reader is authorised dealer of Intec Printer in India. Intec is one of the leading company in Printing industry offering latest cutting edge technology solution for all your Printing needs.

#### **Print uvClear toner and White toner inline with CMYK**

ColorSplash CS5000 series takes quality printing to the next level! Perfect for security items, wedding stationery and more... ColorSplash digital imaging systems are aimed towards print professionals seeking an affordable, high-quality production device.

#### **Intec UV/Clear toner printing :**

Perfect for security-related print items such as ID cards, event tickets and wristbands – or simply simulating traditional spot gloss.

#### **Extraction and analysis of any type of data**

KaptureALL extracts, processes and analyzes different types of data for the most diverse needs.

**Assessment of Tests and Competitions** With KaptureALL it is much easier to correct tests and manage competitions. Corrections can follow the traditional method (TCT) or the TRI, used in ENEM.

**Performance Analysis** Municipal and state education departments evaluate their networks as well as prepare their students for the SAEB, with the features of KaptureAll that also allows assessment of the quality of the tests. With KaptureALL you evaluate your students based on Competency Skills. It is proven that students from organizations that use KaptureAll do better on the ENEM.

**Competencies Ability** KaptureALL, in addition to correcting tests, evaluates students based on their skills.

### **HEMERA C OMR Scanner India**

**HEMERA C** is a compact mid-volume document scanner with automatic stack feed and sorting in two trays. With its open paper path an easy paper handling is guaranteed, service and maintenance costs are low.

**HEMERA C** processes up to 200 documents duplex per minute (400 pages). It is thereby possible to process documents from the size of US checks up to DIN A3 documents in the same run, just as also folded documents.

As the little brother of the high-performance scanner **HEMERA S**, the **HEMERA C** offers an optimized price-performance ratio for applications in the medium to high capacity spectrum.

**HEMERA C** is available as high-performance scanner and as scanner/OMR hybrid with efficient paper transportation system by means of wear-free silicone rollers that last more than 5 years.

**Throughput :**

- DIN A4 per min., duplex / color
- 200 DPI: 200
- 300 DPI: 130 (\*Dual stream (color, b/w) possible without throughput limitation)

**Mechanic :**

- Automatic batch feed (ADF)
- Stack capacity: up to 650 documents
- Automatic document adjustment
- Double sheet detection: ultra-sonic (Optional: multiple sensors)
- Sorter: 2 output trays (650 + 200/250)
- Long-time steady silicon rollers

**Interfaces :**

- USB 2.0 & 3.0: API

- ScanClient without volume-restriction
- With embedded PC: Ethernet (network ready)

**Document :**

- Paper-format: min. 124 x 70 mm, max. 430 x 320mm
- Scan-format: max. 430 x 310 mm
- Weight: 40 – 200 g/m<sup>2</sup>

**Options :**

- Barcode (1D & 2D)
- JPG2000, PDF, Multipage-TIFF, PDF-A
- Pre-/ Postscan inkjet printer
- Embedded PC Kontron i7, 8GB RAM,
- 1TB hard drive
- Long document scanning
- 12 to 48 tracks, 1/4", 1/5" and 1/6"
- Multilevel reading (16 level)

## **HEMERA S OMR Scanner India**

HEMERA S is a document scanner with automatic stack feed and sorting in three trays. With its open paper path an easy paper handling is guaranteed, service and maintenance costs are low.

HEMERA S processes up to 360 documents duplex per minute (720 pages). It is thereby possible to process documents from the size of US checks up to DIN A3 documents in the same run, just as also folded documents.

HEMERA S was developed in order to digitize large volumes of documents in short periods of time, to archive, to evaluate and/or to sort them. Its high scanning speed in connection with its operating ease enable the greatest possible time and cost efficiency in document management.

HEMERA S is available with options as patchcode reading, MICR-recognition, pre-/postscan printing, dualstream scanning and barcode recognition.

**Throughput :**

- DIN A4 per min., duplex / color
- 200 DPI: 360
- 300 DPI: 260 (\*Dual stream (color, b/w) possible without throughput limitation)

**Mechanic :**

- Automatic batch feed (ADF)
- Stack capacity: up to 1000 documents
- Automatic document adjustment
- Double sheet detection: ultra-sonic (Optional: multiple sensors)
- Sorter: 3 guided output trays (650 + 200/250)
- Long-time steady silicon rollers

**Interfaces :**

- USB 2.0 & 3.0: API, TWAIN

- ScanClient without volume-restriction
- With embedded PC: Ethernet (network ready)

**Document :**

- Paper-format: min. 124 x 70 mm, max. 430 x 320mm
- Scan-format: max. 430 x 310 mm
- Weight: 40 – 200 g/m<sup>2</sup>

**Optionen :**

- Barcode (1D & 2D)
- JPG2000, PDF, Multipage-TIFF, PDF-A
- Optical resolution up to 1'000 DPI
- Pre-/Postscan inkjet printer
- Embedded PC Kontron i7, 8GB RAM, 1TB hard drive
- MICR (E13B, CMC7)
- Long document scanning
- OMR-reading head red light or infra-red
- 12 to 48-tracks, 1/4", 1/5" und 1/6"
- Multilevelreading (16 level)

## **Understanding OMR Technology**

### **What is an OMR Sheet ?**

An OMR sheet is a unique type of form. It's used to collect data that people have marked on papers like surveys, exams, and ballots. Usually, these sheets have questions with many possible answers. To answer, people color in circles or checkboxes. Afterwards, an OMR device reads the filled areas. This machine can understand the data fast and without mistakes.

### **Types of OMR Sheets**

- Examination Sheets: **OMR answer sheets** are a big deal in schools for multiple-choice tests.
- Survey Sheets: Researchers use these to gather data with pinpoint accuracy.
- Feedback Sheets: These are a hit at events and organizations to get participant perspectives.

- Attendance Sheets: You'll find these at schools, colleges, and business training sessions to keep track of who's there.

### **Mark Reader: A Pioneer in OMR Sheet Solutions**

Mark Reader helms a cadre of awesomely talented experts. We know the OMR industry like the back of their hand. We offer top-notch services, all customized for each client. Mark Reader, with a profound grasp of **OMR sheet evaluation**, techniques and uses, stands out in the crowd.

### **The Role of Mark Reader in OMR Sheet Solutions**

#### **Comprehensive OMR Solutions**

Mark Reader delivers complete **OMR solutions**. This covers the whole data gathering phase, where accuracy and speed are key. What Mark Reader offers includes:

- OMR Sheet Design: It allows personalized templates that suit individual needs.
- OMR Software: We use sophisticated software that can scan, read, and evaluate OMR sheets.
- OMR Hardware: They supply fast scanners and readers for quick data gathering.
- Support and Training: Also, We provide thorough assistance and training for smooth e-nactment and functioning of OMR systems.

### **Why Choose Mark Reader?**

In the OMR field, **OMR sheet reader** stands strong amidst rivalry. Its triumph comes from important reasons:

#### **Expertise and Experience**

Mark Reader is at the helm of a talented team. We've mastered the OMR business from top to bottom. Their know-how provides bespoke, top-notch services for each unique client. Understanding OMR techniques and uses deeply puts Mark Reader a step above the rest.

#### **Advanced Technology**

Mark Reader uses cutting-edge OMR tech to offer spot-on, fast solutions. We have OMR sheet readers, scanners, and software loaded with top-line features that guarantee exact data collection and study. By sticking with this high-end tech, Mark Reader stays ahead of the game.

#### **Customized Solutions**

Mark Reader's key strength is the way it delivers personalized OMR solutions. By working closely with the customers, We understand their unique needs. We develop OMR forms, software, and procedures based on these needs. This personalized approach provides clients with effective and quick solutions.

#### **Commitment to Quality**

Quality is a top priority for Mark Reader. Mark Reader is committed to thorough inspections at every OMR stage. He's certain the outcomes will be precise and reliable. This strong commitment to excellence has earned the company a faithful fan base and an exceptional reputation.

#### **Comprehensive Service Offering**

Mark Reader provides an all-in-one package for OMR tasks. It covers everything from designing and printing sheets to scanning, analyzing, and sharing results. It's like a one-stop-shop for everything OMR-related. People trust Mark Reader to manage anything OMR, so we can zero in on their main jobs.

Mark Reader is the leader of an accomplished squad. We've dominated the OMR industry in and out. Their expertise grants custom, superior services for every distinct clients. Grasping OMR methods and applications thoroughly places Mark Reader ahead of the rest.
